

### **Addendum No.3**

#### **PROJECT:**

CARTS RFP-2021-138-TDP

---

This addendum amends and hereby supersedes the RFP on the referenced project

---

It has come to our attention that the section regarding CARTS Protest Procedures was inadvertently left out of the RFP issued on November 18, 2021.

Consequently, we now issue this addendum to correct that omission. As the initial period for written protest prior to the due date has expired, we waive the requirement that this be filed five (5) business days prior to due date and extend that to five (5) days after receipt of this Addendum.

The section noted below is hereby added to the published RFP and is added as paragraph 13, Page 7

#### **13. CARTS Protest Procedures**

If a Respondent perceives that a segment of the specifications is either too restrictive for completion or if the Respondent perceives any improprieties in the solicitation or specifications, a written protest must be filed with CARTS General Manager at least five (5) business days prior to due date for responses. Any protests concerning the award of the contract after consultant selection, or after an evaluation of responses submitted under an RFP, must be made within five (5) days after the public announcement, in order to permit CARTS the opportunity to resolve the issue prior to contract award. A Respondent filing a protest with CARTS must submit the protest in writing, via Certified United States mail with a return receipt request to CARTS, c/o General Manager, PO Box 6050 Street, Austin, TX 78762. The protest must include: the name & address of Respondent; RFP number; a detailed factual statement of the grounds for protest and any supporting documentation; the desired relief, action or ruling from CARTS. Following any adverse decision by the General Manager, the Respondent may file a protest with the CARTS Board of Directors.
